

Carlton Vale Boulevard

The proposed regeneration of Carlton Vale to create a vibrant pedestrian and cyclist focused Boulevard with new public spaces, planting, street furniture and artwork

Sketch drawing of the Concept Proposals for Carlton Vale Boulevard

Online Public Consultation Event

Please join us for an online event to find out more about the proposed redevelopment of Carlton Vale.

Meet the Design Team and learn more about the innovative proposals for Carlton Vale, see the designs and provide feedback.

For more information, please contact the Design Team via email:

cvb@g-m-design.co.uk

or visit the project website:

www.carltonvaleboulevard.co.uk

There are two time slots in which you can attend

Thursday 17th December 2020

3pm - 5pm and 6pm - 8pm

If you would like to attend this live event you will need to register your details by going to the website address:

www.carltonvaleboulevard.co.uk

or telephone GM Design on: 028 703 56318

The consultation presentation will also be recorded so you can view this on the projects website above. Accompanying boards with further details on the project will also be available on the website.
